Dear Valued Clients and Consultants

## **OLD MUTUAL MULTI-MANAGERS WINS TOP SA RETIREMENT INDUSTRY AWARD**

It is with great satisfaction that we inform you that Old Mutual Multi-Managers (OM m|m) received an award for best Manager of Managers of the Year at the Batseta 2016 Imbasa Yegolide Awards.

In 2015 OM m|m also received this prestigious award, taking top honours in the Manager of Managers of the Year category. This consistency of Old Mutual Multi-Managers' triumph has once again proved that you made the right decision by investing with us.

This esteemed annual retirement industry awards, sponsored and hosted by Batseta - the Council of Retirement Funds - recognises participants in the South African retirement industry who consistently demonstrate professional excellence and an exemplary service ethos.

We are particularly pleased with this achievement as it not only validates the efficacy of our approach to multi-management, but also confirms the leadership position that we have achieved within our industry in the relatively short time since our formal establishment in August 2014.

At the same awards ceremony, Old Mutual Corporate was also recognised for the valuable contribution it is making to the lives and futures of SA's retirement fund members. Its umbrella fund offering, Old Mutual SuperFund, received the Communications and Marketing Provider of the Year award, an award recognising a provider who assists funds to both communicate with as well as educate members, employers, administrators and other stakeholders through a range of different platforms. Old Mutual SuperFund also received special recognition in the Member Education Fund Challenge for financial planning (making it the second consecutive year Old Mutual Corporate was recognised for its financial education capability).

Thank you for your support and encouragement of our business over the past year. We remain committed to an absolute focus on delivering maximum value to you and all your stakeholders.

Kind regards
